Sung to "Yesterday"

Yesterday, all our lives were lived so easily
Now our time must be spent carefully
So all we have are memories.

Suddenly, all our high school days have gone
away
We dream tomorrow but we live today
And we look back on yesterday.

Chorus:
Yet our time is through we must go
we can't delay
Hearts will linger here even though
we can not stay.

Memories of our times at work and times at
play
We leave dear Panther Valley far away
For we must go our separate ways.

Chorus

MOTTO: The journey of a thousand miles begins with a single step.

The P.V. football team finished the season with an impressive 8-2-1 record losing only to Mt. Carmel and Pottsville and tying arch-rival Tamaqua.

The Panthers had the potential of being a winning team and showed it on the field. Excellent coaching and teamwork was put together to achieve this.

With few members lost from last years squad, Coach Lawrence had experienced players to work with and this was one of the things that made the Panthers a winning team. But, also teamwork and PANTHER PRIDE made this a winning season.

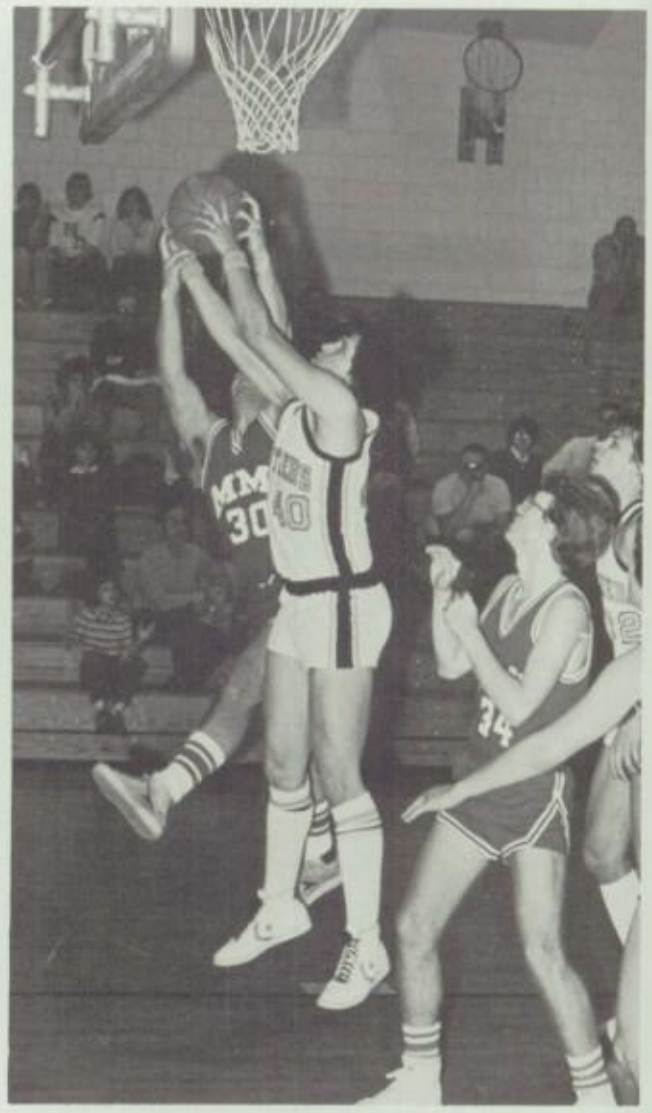
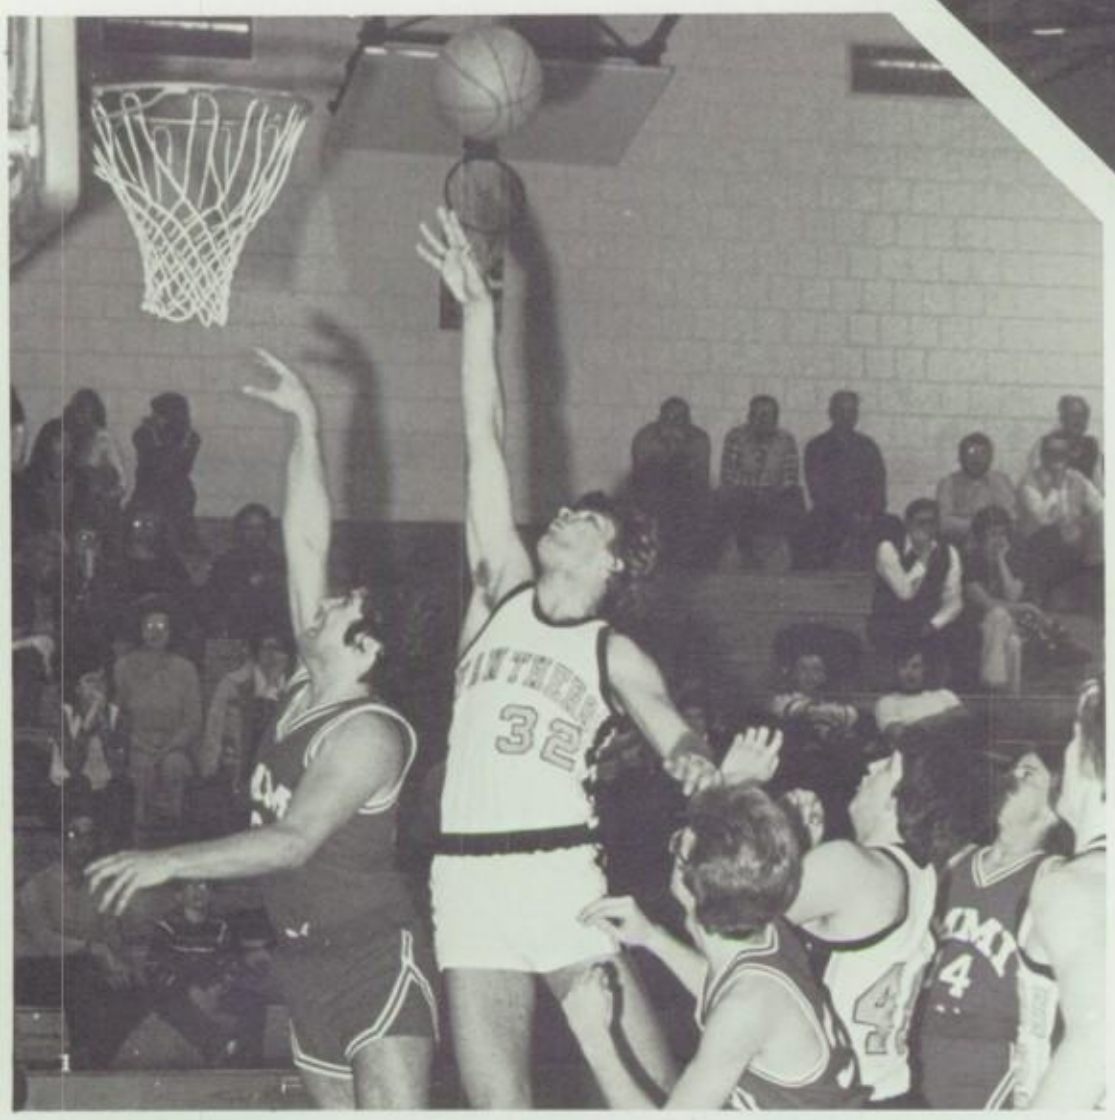
The Panther Valley cagers pressed on to one of their finest seasons in the school's history. This year, the Cat's flourishing start was slowed down toward the half-way mark. But, as was the case last year, the experienced team put on a fine show as they headed into the playoffs, and the defending Anthracite League Champions are sure to go far this year in the league and post-season play. Leading the team effort was senior Chris Zuber, who scored approximately 400 points, putting him close to a 1000 point career, as well as leading the team in assists. Tall John Mikovich boosted the team on the boards and averaged well into the double figures, as did junior Gary Barna. Senior Bob Roman led the defensive charge for Phil "Pip" Rader's men, along with juniors Phil Zuber and John Staivecki. Seniors Ron Scheese and Howie Morana were important factors when the "big men" got into trouble, and Steve Higgins and Brian Schuyler added depth to the bench. Overall, with four of five starters returning this year, the Panthers had one of their most rewarding seasons ever.

Basketball





1. John Mikovich Keeping the ball alive with a Tap-in 2. Phil Zuber with a soft touch jumper. 3. "Here it comes!" One of the Panther's more successful taps this year. 4. Howie Morana preventing the opponent from falling.

Under the direction of new head coach Jay Hoffman, the Panther Valley Varsity Wrestling squad ended the season with an 8-3-3 record, while the J.V. squad compiled an impressive 10-3-1 record.

The Panther Grapplers won the Jim Thorpe Christmas Tournament for the third straight year. They also came in second place in the Catasaqua Christmas Tournament.

This years squad was a very hardworking, determined squad. The wrestlers provided a very interesting and exciting year of wrestling to the Panther Valley fans.

This year's team, with much desire and determination, was coached by Rose Porambo and led by seniors Michelle Shubeck, Lisa Digilio, Karen Thomas, And Nina Hellmund. They and the rest of the players did an excellent job playing against much taller teams in the Anthracite League. Their speed and perserverance led the Panther girls in a fighting season. One outstanding aspect of the girls was the strong defensive ability of forcing the opponents to do most of their shooting from the outside. Record-wise they couldn't prove their talent, but the departing seniors hope that next year's record will improve with the J.V.'s players coming up.

The P.V.Band had an exciting year, filled with many joys and many sorrows.

It all started back in August with the first day of practice. Our long hours of drills and maneuvers really paid off.

Many times we heard-band lift your knees, girls smile, band I can't hear you, I want to see blood dripping from those horns, and come on drums your slowing down-which made us the band we are.

When our routine was perfected we were proud to march on the field with inner assurance and pride, to show the spectators our final results.

This year we came on the field from the corner playing a Spanish song entitled **Espana.** We felt this was our powerhouse song of our routine. We also performed a synchronized drill while our drum major played the **Theme from Star Wars** on the electronic organ.

Senior Band Night was a special night for every senior. Each senior was recognized. The most exciting thing about the night was that everything went right. The first time anything ever went right.

Our last game was not only special for the seniors but for Mr. Mitchell, too. It marked the end of 6 years of memories that will always be cherished. Experiences of joy, sorrow, ambition, anxiety, and even humiliation, of being the best band P.V. ever had.

No matter where we went, we made the best of any situation . . .
. . . No raincoats when it's raining.
. . . Greencastle.
We can still remember . . .
. . . the first day at band practice.
. . . the first game (are we ready)
. . . Israeli Day Parade.
. . . Bus ride from Washington (change of clothes)

Senior Band Officers; left to right: J. Modric, C. Pavlik, V. Matayscik, M. Pohlod, C. Horowski, S. Sabol, M. Vadyak, B. Babinetz, M. Hoffa, S. King, J. Maradeo, G. Hook.

. . . Spaghetti Dinners.
. . . Band Picnics
. . . Pink Panther
. . . Christmas Parties.
. . . Bus breaking down in Washington and getting trapped in a bus repair station for 2 hours while a storm surrounded us.
. . . Stopping at a gas station on the way to North Schuykill.
. . . Our last game.

But our memories don't stop here. For many of us, band played an important part of our high school years. The memories of good and bad times we've shared will be kept in our hearts. Each individual that made up the P.V. Band will remember what it's like to be a MITCHELL'S MARCHER. For it took dedication and hard work to make our band what it is today, and it's that same dedication that makes us proud to be a MITCHELL'S MARCHER.

After graduation, we are all anticipating the time when we could sit in the bleachers feeling proud of something we were once part of. The memories will last forever as will the greatness of the band while under the direction of William Mitchell.

Memories are what our yearbook is all about. Catching the moods of the school while gathering the experiences that mean so much to everyone, was the toughest job we had. Putting aside all our good times, we achieved our goal by completing this fantabulous yearbook that everyone will treasure forever.

Working many long hard hours at our home away from home, we watched the sun shine, the rain fall, the leaves blow and the snow drift.

As the seasons past us by, so did our deadlines. The fun we had is all in the past, but our thoughts will linger there. The times we had are unforgetable, and they will all be remembered.

We remember . . .
. . . The Freak photographer.
. . . the croppers that didn't work.
. . . the doritos and coke parties.
. . . no pictures for a late deadline.
. . . feeding Rich on the run.
. . . The trip to Lehigh last year.
. . . the Swim-A-Thon.
. . . cropping to the sound of Nanu-Nanu.
. . . the last deadline.
. . . and finally the arrival of the yearbooks.

The yearbook wouldn't be a success without the help of our advisor, Mr. Reinhart. He helped us pull through when we thought we wouldn't. He was there with that extra push when we needed it. So on behalf of the 1979 Yearbook Staff we would like to thank Mr. Reinhart for all he has done for us in the past year, and in helping us to make this the best yearbook ever.

Ski Club

Ski Club Officers, L to R; J. Fauzio; M. Hager; S. Hebda; B. Stianche Missing from photo—Andy Yurchak, advisor.

The Panther Valley Ski Club got the skiing season under way after the Christmas holidays. Each Thursday seemed to drag on as everyone waited for the final bell to ring. Are we going? . . . When is Andy getting the bus? . . .

With the excitement of going to Camelback, everyone loaded the bus and headed for the slopes. The crazy bus rides up are not forgetable—munching out, listening to Meatloaf and Foreigner, and making new friends-everyone looking forward to a great night of skiing.

Once the group arrived, there was the hassle of going through rentals and fighting for a lift ticket. Finally, on the slopes . . . and the P.V.H.S. Ski Club has some experiences throughout the year. Such unforgetable things as — Freaking out on Margies . . . laughing at the beginners . . . skiing into the woods, freezing on the hills, thinking you have frostbite . . . and not to mention racing down Sunbowl.

As the evening ended, everyone staggered into the bus, tired, sore, and wet. Also screaming at Andy for heat. Usually the bus ride home was calm, because everyone was sleeping, except for the rowdy people in the back of the bus. One experience the club will not forget, was the time when our bus broke down, leaving us stranded in the middle of Route 80, only to get home at 2:30 the next morning! It was some night!

All in all, the times we had were great and unforgetable. On behalf of the Ski Club we would like to thank our advisor and bus driver, Andy Yurchak, for organizing a fantastic group—The Panther Valley High School Ski Club.

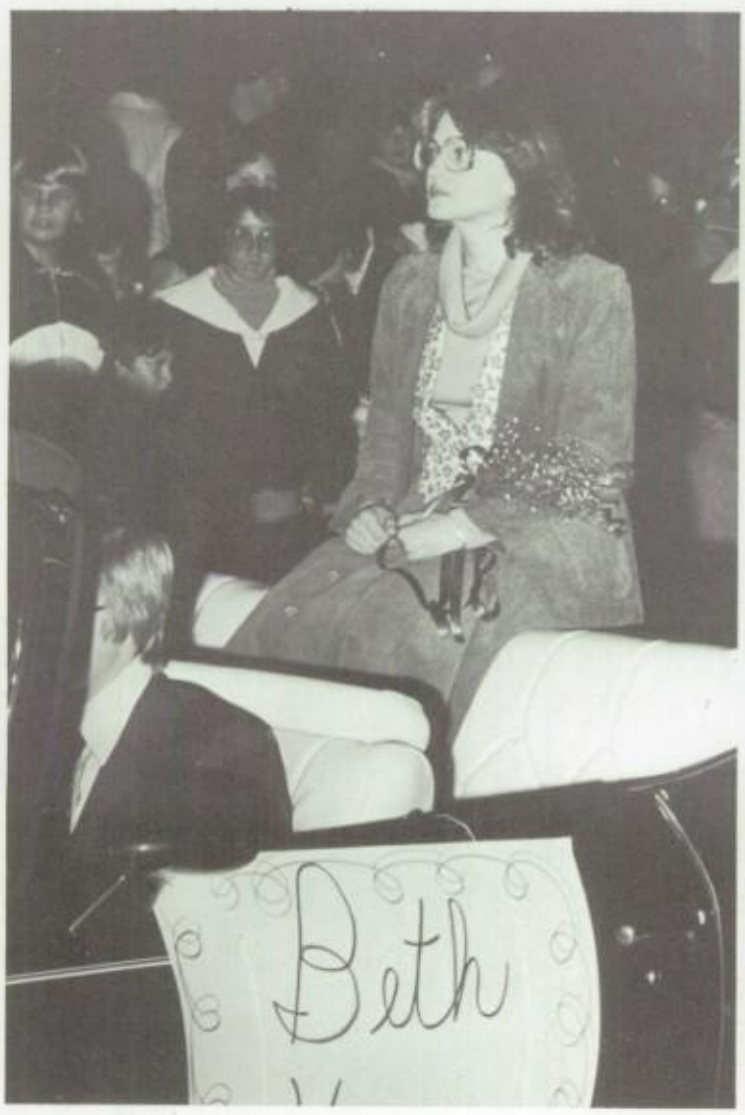
HOMECOMING



HOMECOMING

The 1978 Homecoming celebration was held on October 7th during the Panther Valley-Shenandoah game. The candidates, accompanied by the band, paraded through Lansford enroute to the stadium where they waited anxiously for the final moment to arrive.

The five candidates were selected by the senior class and the queen was chosen by the entire student body. Vicky Matayscik was escorted by Joe Tessitore, Janice Dominic by Ben Lesniak, Beth Hanas by Sammy Rheel, Gina Iezzoni by Jim Boyle, and Jean Serina by Robert Toth.

At halftime during the game the suspense and agony of waiting was brought to a conclusion with the crowning of the queen Vicky Matayscik.

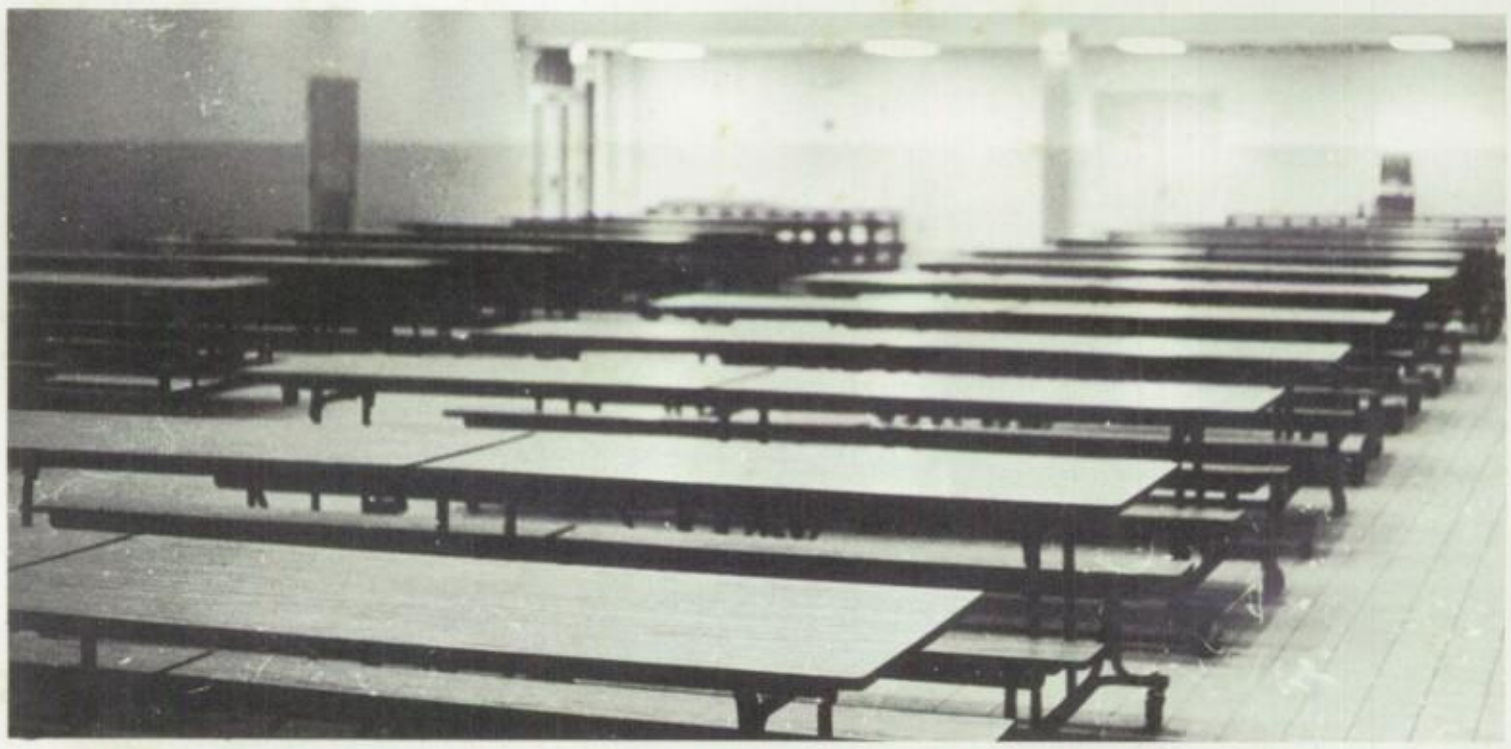
ATTORNEY AND MRS THOMAS S. MCCREADY



The 1979 Panther Valley Yearbook staff would like to thank the following people, without whom the yearbook would not have been possible: Mr. Harry Everhart, Photographs; The Pottsville Republican, Photographs; The parents of the staff for letting us work those long, odd hours; The business department for the use of the typewriters; the photo classes for the prints we "borrowed" to help get our deadlines in on time; Rich Wachter of Josten's for all his help; and the faculty and administration of Panther Valley for their cooperation. The problems encountered in the production of a yearbook are many, but with all the help given by everyone concerned, the job went a little smoother.
